The Complaints Process

Stage 1

1. Complaints should be raised locally, either in writing or verbally, to the staff member directly responsible for the delivery of the service, or their line manager if the complaint relates to the conduct of a staff member.
2. A complainant should raise the matter informally within 15 working days of being aware of the issue with the member of staff concerned or that person's immediate Supervisor or Manager. Where the complaint relates to a series of events, then the concern should be raised within 15 working days of the last occurrence.
3. If you feel the response to your complaint under stage one is unsatisfactory, the next stage is for the complaint to be referred to the Management Team who will investigate further and liaise with any additional staff whose information may help resolve the complaint. You will receive a response within 10 working days. If an interim reply is needed, you will be given a timescale by which a full reply will be received.

Stage 2

If a complaint has not been resolved to the complainant's satisfaction at Stage 1, or it cannot be resolved informally, a Stage 2 complaint should be made. A complaint form, in addition to any supporting documentation must be submitted by the Complainant to Central Administration within 15 working days.

The form should explain the specific concern about the provision of a programme of study or the service provided. This should include the following:

- the specific concern about the provision of a programme of study or the service provided.
- Indicate the outcome sought. However, it is important to note the eventual outcome may be different from the one sought.

An acknowledgement will be sent within 5 working days and initiate the investigation and a member of the management team will be nominated to formally investigate.

A full written response should be provided to the complainant within 10 working days of receipt. Should circumstances require additional time for the complaint investigation, the complaint investigator will advise the candidate and will agree a revised time-frame for the completion of the investigation. The Investigating Manager must ensure the complainant has an adequate opportunity to be heard.

The Investigating Manager must consider all such statements presented by, or on the specific written authorisation of the complainant. Following the completion of the investigation, the Investigating Manager may uphold the complaint in full, in part, or dismiss it.

The Centre will implement any such recommendations arising out of the complaint investigation. In response to allegations of staff conduct, if an investigation determines that any disciplinary or remedial action is required, this will be conducted in consultation with a 3rd party outside of the organisation if required.

If you feel the response to your complaint is still not satisfactory, you must advise us within one calendar month of the date of the response from Stage 2 otherwise the case will be closed. The Director will then conduct an Internal Review.

At this stage all communication will be with the Director. A full response will normally be received within 15 days.

Stage 3

If a complainant is dissatisfied with the outcome of the formal investigation at Stage 2 of the procedure, they can appeal against the decision and request a review of the complaint. An appeal must be submitted within 15 working days of the date of the Stage 2 outcome letter.

Stage 3 constitutes a review and not a re-investigation of the complaint and can only be requested on the following grounds:

There were procedural irregularities in the Stage 2 investigation which had a material effect on the outcome;

Based on the evidence available to the Stage 2 investigator at the time, the outcome is unreasonable; and/or

New evidence has come to light which the Complainant was unable, for valid reasons, to provide earlier in the process and which would have had a material impact on the outcome. The appeal will be reviewed by the Centre Manager, who will acknowledge receipt of the complaint within 3 working days.

The Directors will consider whether the complainant has demonstrated grounds for appeal in full or in part (and suggest any action to resolve the complaint), or not at all. If the complainant has not satisfied the grounds for review, they will be notified of this and issued with a Completion of Procedures letter within 15 working days. Where the grounds for Appeal have been met, a review will be initiated and a full response will be provided within 15 working days of receipt.

Following the completion of the investigation, the Manager responsible may uphold the complaint in full, in part, or dismiss it. Outcomes of complaint reviews concerning staff conduct will be copied to the relevant Line Manager/ Director. If any disciplinary action is required, this will be conducted in consultation with an external 3rd party if required.

Finally, once the Complaints Policy is exhausted and all three stages have been completed, there exists a right to complain to the appropriate statutory bodies. Details of such can be found in your induction folder on our website www.mttraining.co.uk or contact directors@mttraining.co.uk.

Confidentiality

All complaints are treated with confidentiality in mind. Only the customer service manager will be aware that a complaint has been received and is being dealt with. Where the complaint extends to the training service, whilst the tutor may be requested to provide information to satisfy the complaint, this will be handled appropriately as to not prejudice further training or assessments.

Anonymous requests will be acted upon, however it is better to provide contact details so that the complainant can be informed of the outcome.

Aggressive or Obsessive Complaints

MTT wants to deal fairly and honestly with complainants and ensure that other users, clients and staff do not suffer detriment from persons making vexatious complaints. MTT will engage a Solicitor who will write to vexatious complainants to inform them that their behaviour is considered to be unacceptable.

Equalities Statement

MTT aims to handle all complaints fairly and honestly regardless of who makes a complaint. AND treats all members of the community equitably and will not show bias to any particular individual or group.

Matters that are Outside the Policy

The following matters are not included in this policy:

- Complaints which are subject to legal proceedings

What complaints have special procedures?

- Candidates who are dissatisfied with the outcomes of internal assessments should use the Candidate Assessment Appeals procedure, not the Complaints Procedure.
- Applicants who wish to appeal an admissions decision should use the Admission Policy.
- Candidates who feel they are subject to bullying or harassment should in the first instance use the Anti-Bullying & Harassment Policy.

Monitoring Satisfaction and Performance Reports

All complaints are logged, recorded and analysed as part of the customer service satisfaction procedure. The Directors will collate a summary report of complaints, suggestions and compliments for the MTT. The report will compare year on year data, identify any significant trends and include a year-on-year analysis of complaints received from candidates by age, gender, ethnicity, and disability.

Review

This policy and its procedures will be reviewed annually, to ensure it continues to meet our needs and those of our Regulators i.e., Awarding Organisations (NOCN Cskills Awards) , ESFA (Education & Skills Funding Agency) and external stakeholders.
